

Department of Electrical and Electronics Engineering

Internship –EEE83

Rubrics for Internship:

S. No.	Assessment Metric	Rubrics for Assessment			POs addressed
		Excellent(5)	Good(3)	Fair(2)	
1.	Whether the training provided in industry has enriched engineering knowledge	Completely understood about various sections in the industry.	Understood most of the sections in the industry.	Understood only few sections in the industry.	PO1
2.	Is training useful for problem analysis and Interpretation?	Clearly able to identify, formulate and analyze various engineering issues in the industry.	Somewhat able to identify, formulate and analyze various engineering issues in the industry.	Not clear.	PO2
3.	Whether the training has improved knowledge on modern engineering tools?	Clearly able to maintain expertise in appropriate tools in the engineering field based on the visit/training.	Able to know what tools are generally available in the industry and has competency to use them at a basic level.	Not familiar with state-of-the-art Tools in the visit/training.	PO5
4.	Whether the training has made the student to think over the impact of Engineering Solutions on global, economic, environmental and societal context?	Clearly able to describe about the engineering solutions in a global, economic, environmental and societal context.	Somewhat able to describe about engineering solutions in a global, economic, environmental and societal context.	Not that much clear about the impact of engineering solutions in a global, economic, environmental and societal context.	PO7
5.	Is it possible to provide solutions by understanding the issues in environment and sustainability?	Completely understood how to meet the desired needs within realistic constraints such as economic, environmental, safety and sustainability.	Partially understood how to meet the desired needs within realistic constraints such as economic, environmental, safety and sustainability.	Not able to confidently understand.	PO6

6.	Is it possible to formulate the professional ethics that are to be followed in workplace?	Able to formulate specific professional and ethical codes of conduct.	Able to formulate general professional and ethical codes of conduct.	Not able to correctly formulate professional and ethical codes of conduct.	PO8
7.	Whether the training has made the student to realize the need for individual and team responsibility?	Thoroughly understood the role of an individual and team responsibility in meeting the deadline for completing the task.	Understood most of the roles of an individual and team responsibility in meeting the deadline for completing the task.	Somewhat understood the role of an individual and team responsibility.	PO9
8.	Whether the training has motivated the student to provide engineering solution for the real time problem through lifelong learning?	Completely motivated to engage in life-long learning.	Not completely motivated to engage in life-long learning.	Not at all motivated to engage in life-long learning.	PO4, PO12
9.	Whether the student is able to effectively document the learning made?	Information is documented in an appropriate sequence indicating the various sections of the industry, processes involved and problems identified for further investigation.	Information is documented in an appropriate sequence indicating the various sections of the industry, processes involved but the problems are not identified for further investigation	Information is documented but the various sections of the industry and processes involved are not properly emphasised. Problems are not identified for further investigation.	PO10

Growth and Innovation Alliance LLP.

May 26th, 2021.

TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Mr. Dev Rawal**, has undergone his research internship with Growth and Innovation Alliance LLP., from April 5th, 2021, to May 20th, 2021.

He has worked on the project – **Research and development of electric two-wheeler**. Broad areas of his work include:

- i. Research on wire harness design for electric two-wheelers
- ii. Research on powertrains for electric two wheelers
- iii. Research on BMS and battery pack development for electric two wheelers

During his internship he has demonstrated his skills with self-motivation to learn new skills. He has also assisted in technical documentation and modification of the abovementioned project.

We wish him all the best for his upcoming career.

Sub: Internship at Aricent (Altran Company)

Dear Dushyanth,

We are pleased to offer you an Internship opportunity with Aricent Technologies (Holdings) Limited, in our **Bangalore** office from 22-MAR-21 till 30-JUN-21, on the terms and conditions mentioned below.

You will be expected to make your own arrangements for travel and accommodation as may be necessary to enable you to pursue the program. During the internship, you will be entitled to a monthly stipend of **Rs 10000/- (Rupees Ten Thousand Only)**. This internship will be in the status of Apprentice only without any assurance of regular employment or any other benefit by our company in addition to the agreed stipend.

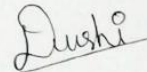

You are expected to abide by all the company rules and regulations in the course of internship period. During your internship, you may have access to trade secrets and confidential business information belonging to the Company. By accepting this internship offer, you acknowledge that you must keep all of this information strictly confidential, and refrain from using it for your own purposes or from disclosing it to anyone outside the Company. In addition, you agree that, upon conclusion of your internship, you will immediately return to the Company all of its property, equipment, and documents, including electronically stored information.

We wish you all the best towards successful internship with us.

Yours sincerely,
For **Aricent Technologies (Holdings) Limited**

Nithya H V

B.Tech/B.E. Electronics and Electrical Engineering
New Horizon College of Engineering, Bangalore

Dear Nithya,

Further to our offer for the position of Programmer Analyst Trainee and in response to your confirmation into the Internship opportunity we had extended, we are pleased to offer you an **Internship** with us for a **period of 3 to 6 months**, during which you will be offered a stipend Amount of **INR 12000/-** per month based on the Internship performance and completion.

Actual Internship dates and duration would be based on the business demand aligned skill tracks offered to you and would be shortly communicated to you.

Cognizant Internship being a pre joining skill and capability development program, it would form a critical part of your employment with Cognizant.

You will undergo a learning curriculum as per the learning track assigned to you. The learning path will include in-depth sessions, hands on exercise and project work. There will also be series of webinars, quizzes, SME interactions, mentor connects, code challenges, assessments etc. to accelerate your learning. The performance during Internship would be monitored through formal evaluations.

The Cognizant Internship completion would qualify as the entry criteria to your post joining training program and would be used as basis towards your allocation to projects/roles.

Prior to joining Cognizant, you must successfully complete the prescribed Internship program. In event of non-completion of the Internship, Cognizant may at its sole discretion revoke this offer of employment.

Please also note that:

- The Internship Training will be done from Monday through Friday for 8 hours from 9 am to 6 pm (IST).
- Interns are covered under Cognizant's calendar holidays of the respective location of internship and you would need to adhere with attendance requirements. Pre-approvals are to be sought towards unavoidable leave or break requests from the program.
- There would be zero tolerance to plagiarisms and misconduct during the internship.
- You would be required to ensure timely completion and submission of assignments, project work and preparation required prior to the sessions.
- You may be required, to travel to other locations within India if there is a business need as per your internship plan
- Cognizant reserves clauses regarding IT infra if applicable and access to information and material of Cognizant during the period and could modify or amend the Cognizant GenC program terms and conditions from time to time

At the time of your reporting for the internship, you will be required to sign a Non - Disclosure Agreement with the company. During the course of your Internship and after completion of the same, you are required to maintain strictest confidentiality with respect to company proprietary or products that you access or come into contact with, during your project as an Intern, at all times as per our Policy. Use of company proprietary information or products shall not be made without prior permission from the concerned authority.

You will also be required to submit the following documents at the time of reporting;

- Photocopy of your Passport & Visa

- Photocopy of your Certificates / Mark Sheets in support of your Educational Qualification(s)
- 2 Passport-size photographs
- Pan Card
- Aadhar Card
- Personal individual bank account from a nationalized bank for processing stipend

Please do not hesitate to call us for any information you may need.

We wish you good luck.

Yours sincerely,

For **Cognizant Technology Solutions India Pvt. Ltd.**,

Suresh Bethavandu

Global Head-Talent Acquisition

I accept the terms and conditions of the offer as mentioned above.

Sub: Internship at Aricent (Altran Company)

Dear Pritam,

We are pleased to offer you an Internship opportunity with Aricent Technologies (Holdings) Limited, in our **Bangalore** office from 22-MAR-21 till 30-JUN-21, on the terms and conditions mentioned below.

You will be expected to make your own arrangements for travel and accommodation as may be necessary to enable you to pursue the program. During the internship, you will be entitled to a monthly stipend of **Rs 10000/- (Rupees Ten Thousand Only)**. This internship will be in the status of Apprentice only without any assurance of regular employment or any other benefit by our company in addition to the agreed stipend.

You are expected to abide by all the company rules and regulations in the course of internship period. During your internship, you may have access to trade secrets and confidential business information belonging to the Company. By accepting this internship offer, you acknowledge that you must keep all of this information strictly confidential, and refrain from using it for your own purposes or from disclosing it to anyone outside the Company. In addition, you agree that, upon conclusion of your internship, you will immediately return to the Company all of its property, equipment, and documents, including electronically stored information.

We wish you all the best towards successful internship with us.

Yours sincerely,
For **Aricent Technologies (Holdings) Limited**

LETTER OF INTENT

Cognizant

17-Feb-2021

Aby K Mathew

B.Tech/B.E. Electronics and Electrical Engineering

New Horizon College of Engineering, Bangalore

Dear Aby,

Further to our offer for the position of Programmer Analyst Trainee and in response to your confirmation into the Internship opportunity we had extended, we are pleased to offer you an **internship** with us for a **period of 3 to 6 months**, during which you will be offered a stipend Amount of **INR 12000/-** per month based on the Internship performance and completion. Actual Internship dates and duration would be based on the business demand aligned skill tracks offered to you and would be shortly communicated to you.

Cognizant Internship being a pre joining skill and capability development program, it would form a critical part of your employment with Cognizant.

You will undergo a learning curriculum as per the learning track assigned to you. The learning path will include in-depth sessions, hands on exercise and project work. There will also be series of webinars, quizzes, SME interactions, mentor connects, code challenges, assessments etc. to accelerate your learning. The performance during Internship would be monitored through formal evaluations.

The Cognizant Internship completion would qualify as the entry criteria to your post joining training program and would be used as basis towards your allocation to projects/roles.

Prior to joining Cognizant, you must successfully complete the prescribed Internship program. In event of non-completion of the Internship, Cognizant may at its sole discretion revoke this offer of employment.

Please also note that:

- The Internship Training will be done from Monday through Friday for 8 hours from 9 am to 6 pm (IST).
- Interns are covered under Cognizant's calendar holidays of the respective location of internship and you would need to adhere with attendance requirements. Pre-approvals are to be sought towards unavoidable leave or break requests from the program.
- There would be zero tolerance to plagiarisms and misconduct during the internship.
- You would be required to ensure timely completion and submission of assignments, project work and preparation required prior to the sessions.
- You may be required, to travel to other locations within India if there is a business need as per your internship plan
- Cognizant reserves clauses regarding IT infra if applicable and access to information and material of Cognizant during the period and could modify or amend the Cognizant GenC program terms and conditions from time to time

At the time of your reporting for the internship, you will be required to sign a Non - Disclosure Agreement with the company. During the course of your Internship and after completion of the same, you are required to maintain strictest confidentiality with respect to company proprietary or products that you access or come into contact with, during your project as an Intern, at all times as per our Policy. Use of company proprietary information or products shall not be made without prior permission from the concerned authority.

1NH17EE718, BE,EEE-4th year, 8TH SEM
New Horizon College of Engineering, Bangalore, INDIA
kavitasah1998@gmail.com, +91 8951235045

INTERNSHIP CERTIFICATE

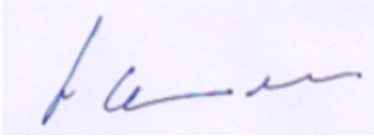

Kavita Kumari Sah has completed a Technical Internship Program at SangamOne Connected Services Pvt Ltd from 18-Mar-2021 to 15-May-2021. The program was conducted by an industry expert on AI and ML with a project at the end of the session. The topics included

1. Overview of AI-ML - Predictive Modelling, Computer Vision, NLP, Time Series Forecasting, Recommendation Engine, Supervised and Unsupervised Learning
2. Basic Statistics - Probability, Explorator Data Analysis, t-test, Chi-square test, Hypothesis testing, p-value
3. Predictive Modelling - Dependent and Independent variables, Regression, Classification
4. Regression - Univariate and Multivariate, methodology of solving a Regression Problem, Performance Metrics, R-Squared value, MAE, RMSE, MAPS, Loss Function, Generalized Linear Model GLM,
5. Classification - Classification vs Regression, Logistic Regression, ROC AOC Curve, Performance Metrics, Confusion Matrix, Precision, Recall, Sensitivity, Specificity, F1-Score, Accuracy,
6. Python - Basic Python Programming, Data Handling using Pandas
7. Assignment -Titanic Problem on Kaggle, Step-by-Step Methodology to solve the problem, Walk-through of code
8. Best Practices in Learning - Question-Answers, Summary of concepts learnt, Written Communication, Interactive discussions

Kavita showed keen interest in learning the subject. She was prompt and regular in attending the sessions and asked the right questions. The sessions became more interactive during the final stages. The assignment proved to be an excellent tool to enable self-learning and recap of all the concepts learnt.

Kavita has excellent English communication - both written and spoken. She was assigned the task of summarizing the topics after many a class, which she did quite well. However, this subject requires continuous focus and practice. We recommend more case-studies and mini-projects over the period of next 6 months to get the best out of this Internship

SangamOne Connected Services has its registered office at No. 8, National CHS, Airoli, Navi Mumbai- 400708, INDIA and its development office at 180, 2nd Floor, Royal Hermitage, Gottigere, Bannerghatta Road, Bangalore – 560083, INDIA. SangamOne provides Product Engineering Services to small and medium sized companies through the use of digital technologies.

Nivedita Sivakumar
New Horizon College of Engineering, Bangalore, INDIA

INTERNSHIP CERTIFICATE

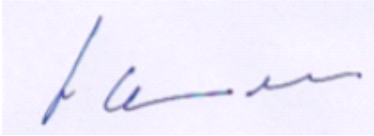

Nivedita Sivakumar has completed a Technical Internship Program at Sangam One Connected Services Pvt Ltd from 18-Mar-2021 to 15-May-2021. The program was conducted by an industry expert on AI and ML with a project at the end of the session. The topics included

1. Overview of AI-ML - Predictive Modelling, Computer Vision, NLP, Time Series Forecasting, Recommendation Engine, Supervised and Unsupervised Learning
2. Basic Statistics - Probability, Explorator Data Analysis, t-test, Chi-square test, Hypothesis testing, p-value
3. Predictive Modelling - Dependent and Independent variables, Regression, Classification
4. Regression - Univariate and Multivariate, methodology of solving a Regression Problem, Performance Metrics, R-Squared value, MAE, RMSE, MAPS, Loss Function, Generalized Linear Model GLM,
5. Classification - Classification vs Regression, Logistic Regression, ROC AOC Curve, Performance Metrics, Confusion Matrix, Precision, Recall, Sensitivity, Specificity, F1-Score, Accuracy,
6. Python - Basic Python Programming, Data Handling using Pandas
7. Assignment -Titanic Problem on Kaggle, Step-by-Step Methodology to solve the problem, Walk-through of code
8. Best Practices in Learning - Question-Answers, Summary of concepts learnt, Written Communication, Interactive discussions

Nivedita Sivakumar showed keen interest in learning the subject. She was prompt and regular in attending the sessions and asked the right questions. The sessions became more interactive during the final stages. The assignment proved to be an excellent tool to enable self-learning and recap of all the concepts learnt.

Nivedita Sivakumar has excellent English communication - both written and spoken. She was assigned the task of summarizing the topics after many a class, which she did quite well. However, this subject requires continuous focus and practice. We recommend more case-studies and mini-projects over the period of next 6 months to get the best out of this Internship

SangamOne Connected Services has its registered office at No. 8, National CHS, Airoli, Navi Mumbai- 400708, INDIA and its development office at 180, 2nd Floor, Royal Hermitage, Gottigere, Bannerghatta Road, Bangalore – 560083, INDIA. SangamOne provides Product Engineering Services to small and medium sized companies through the use of digital technologies.

Shaunphiliposejosnalencherry

B.Tech/B.E. Electronics and Electrical Engineering
New Horizon College of Engineering, Bangalore

Dear Shaunphiliposejosnalencherry

Further to our offer for the position of Programmer Analyst Trainee and in response to your confirmation into the Internship opportunity we had extended, we are pleased to offer you an **Internship** with us for a **period of 3 to 6 months**, during which you will be offered a stipend Amount of **INR 12000/-** per month based on the Internship performance and completion.

Actual Internship dates and duration would be based on the business demand aligned skill tracks offered to you and would be shortly communicated to you.

Cognizant Internship being a pre joining skill and capability development program, it would form a critical part of your employment with Cognizant.

You will undergo a learning curriculum as per the learning track assigned to you. The learning path will include in-depth sessions, hands on exercise and project work. There will also be series of webinars, quizzes, SME interactions, mentor connects, code challenges, assessments etc. to accelerate your learning. The performance during Internship would be monitored through formal evaluations.

The Cognizant Internship completion would qualify as the entry criteria to your post joining training program and would be used as basis towards your allocation to projects/roles.

Prior to joining Cognizant, you must successfully complete the prescribed Internship program. In event of non-completion of the Internship, Cognizant may at its sole discretion revoke this offer of employment.

Please also note that:

- The Internship Training will be done from Monday through Friday for 8 hours from 9 am to 6 pm (IST).
- Interns are covered under Cognizant's calendar holidays of the respective location of internship and you would need to adhere with attendance requirements. Pre-approvals are to be sought towards unavoidable leave or break requests from the program.
- There would be zero tolerance to plagiarisms and misconduct during the internship.
- You would be required to ensure timely completion and submission of assignments, project work and preparation required prior to the sessions.
- You may be required, to travel to other locations within India if there is a business need as per your internship plan
- Cognizant reserves clauses regarding IT infra if applicable and access to information and material of Cognizant during the period and could modify or amend the Cognizant GenC program terms and conditions from time to time

At the time of your reporting for the internship, you will be required to sign a Non - Disclosure Agreement with the company. During the course of your Internship and after completion of the same, you are required to maintain strictest confidentiality with respect to company proprietary or products that you access or come into contact with, during your project as an Intern, at all times as per our Policy. Use of company proprietary information or products shall not be made without prior permission from the concerned authority.

You will also be required to submit the following documents at the time of reporting;

- Photocopy of your Passport & Visa

28th April 2021

Suhas Siddamal K

Subject: Internship Letter

Dear Suhas,

Netradyne Technology India Pvt Limited (the “Company”) is pleased to offer you an internship. You will be reporting to Sr. Manager, Engineering or to any other official as decided by Company. Your internship period will be effective from **10th May 2021** until **9th August 2021**.

At the end of your internship period, you may be eligible for interview by the Company for appropriate open positions as intimated by the Company. The Company is under no obligation to offer full-time employment after the internship period. Likewise, you are under no obligation to the Company after you complete your work during the period of internship.

The terms and conditions of your internship with the Company shall be as follows.

- 1. Compensation:** You will be paid a stipend of **INR 15,000 (Fifteen Thousand Only)** payable on a monthly basis. The company shall pay you by way of separate cheque or wire transfer to your bank account, the monthly stipend upon completion of each month.
- 2. Withholding Taxes:** There will be no withholding or deduction of any taxes from your monthly stipend
- 3. Professional Fulfillments:** During the internship period, you agree that you will not engage in any other employment, consulting or other business activity without the written consent of the Company. While you are rendering services to the Company, you also will not assist any person or entity in competing with the Company, in preparing to compete with the Company or in hiring any employees or consultants of the Company.
- 4. Entire Agreement:** This letter supersedes and replaces any prior understandings or agreements, whether oral or written, between you and the Company regarding the subject matter described in this letter.

If the terms and conditions of this offer letter are acceptable to you, please indicate your acceptance by signing and dating this letter and returning it to me. By signing this letter, you confirm to the

Company that you are under no contractual or other legal obligations that would prohibit you from performing your duties for the Company.

We look forward to having you join as an intern at the earliest.

Very truly yours,

Trinette Jackson
Senior Director – HR

INTERNSHIP CERTIFICATE

Date: 2nd July 2021

TO WHOMSOEVER IT MAY CONERN

This is to certify that Mr. Utkarsh Bhardwaj has done his internship in Java and Angular Full Stack Web Application development in online mode from 28th March to 28th June (90 days).

He has worked on a project titled Online Trip Management Web App. This project was aimed to guide candidate through real world applications. As part of the project, he designed various Backend Applications, Front End Applications, Web fonts, mailers by understanding the design briefs and course specifications.

During the internship he demonstrated good design skills with a self-motivated attitude to learn new things. His performance exceeded expectations and was able to complete the project successfully on time.

We wish him all the best for his future endeavors.

Warm regards,

Sasi mahawan
