### **Program Report – June 2021**

Webinar on “Students’ Perception and Preference for Online Education in India During COVID -19 Pandemic”

26th June 2021, 4.00PM to 5.00PM (IST)

The Department of Electrical and Electronics Engineering, New Horizon College of Engineering, Bengaluru organised the Webinar on “Students’ Perception and Preference for Online Education in India During COVID -19 Pandemic” on 26th June 2021, Saturday from 4.00PM to 5.00PM in association with IEEE PELS Student Branch Chapter of NHCE. The current worldwide trend is to learn online since the coronavirus pandemic outbreak, whereby E-learning is not optional rather it is mandatory.

This session has been carried out to assess the effectiveness of E-Learning facility for both the students and faculties. There are few common problems faced by students in eLearning classes and which they need to be solved through proper initiatives for the students' future benefits Adaptability Struggle, Technical Issues, Computer Literacy, Time Management and Self-Motivation.

The session is handled by a resource person Mr. Muthuprasad T, Scientist-B (Forest Economics) Division of Forestry Statistics Directorate of Administration ICFRE (Head Quarters), Dehradun.
