Objective (100 words)

1. To promote, encourage, and sustain activities and programmes contributing to innovation, incubation & entrepreneurship education and development.
2. To aid and help in the creation of technology or innovation based new enterprises.
3. To aid and help in creating value-added jobs and services.
4. To aid and help in fostering the entrepreneurial spirit.
5. To assist in speedy commercialization of R&D outputs.
6. To aid and help in developing new tools for technology transfer
7. To provide mentoring and consulting services to aspiring innovators and entrepreneurs.
8. Further, the resource person has demonstrated various products and explained how ideas were converted into the students and faculty members to identify the various types of IPRs.

Department of Electrical and Electronics Engineering had made all the arrangements to conduct this event for 4th semester students at B-203 in offline mode. The resource person Dr. Vinoth kumar K, Dr. Piyush Kumar Soni (Coordinator – NISP, NHCIE), Dr. Agalya V (President – IIC 5.0), Dr. S Sujitha (HOD-EEE), and 77 students from 4th Sem EEE have participated in the event.

Benefit in-terms of learning/skill/knowledge obtained

1. To encourage the students to come up with the ideas/products to solve the issues in the society.
2. To provide services to the students to use the facilities either to come up with the ideas as an individual or as a team of students.
3. To nurture the culture of Entrepreneurship in the students by applying for grants, seed funding and angel investors for financial support to convert students’ ideas into products or from products to pilot projects.
4. Participating in the various platforms to pitch our product and win the competitions.
