Feedback:

The talk was very interactive and crucial for aspiring engineers who want to work in the AI domain. The speaker was approachable and engaging with the students, and he didn't hesitate to answer any questions.

Jeevan(1NH21EE052)

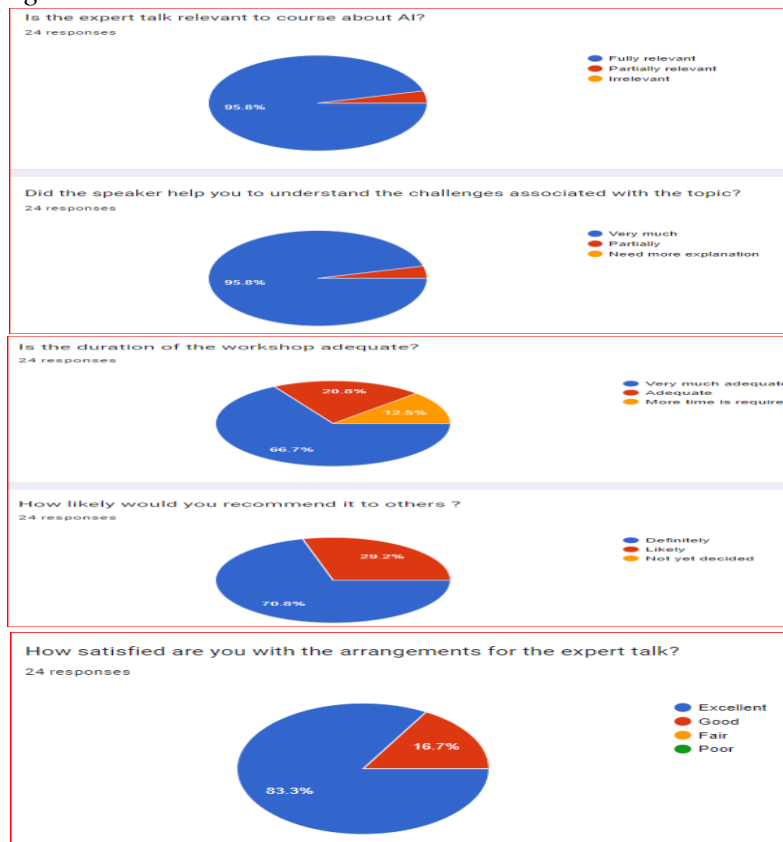

**Gained a lot of knowledge about AI. Helped me analysis how it can be used for my domain. The information shared was as expected and updated to the latest time.*

G R Yashwanth (1NH22EE045)

**The session was informative and interactive. I could gain more knowledge in AI and its scope in industry.*

Iqra Bashir(1NH22EE053)

**The expert talk was more effective to understand the AI tool usage by an EEE engineers.*

Glimpses of Expert Talk
