Department	Electrical and Electronics Engineering

Date	From: 15.10.2024	To: 15.10.2024
Time	From: 02:00 PM	To: 04:00 PM

Brief Description (4-5 Lines Max)	The Department of Electrical and Electronics Engineering, New Horizon College of Engineering, Bengaluru had organized an Alumni Talk on "Career Compass: Navigating IT Careers with Web Technologies" on 15.10.2024, from 02:00 PM to 04:00 PM. The objective of the program was to bridge the gap between the student's understanding of a corporate world and that of the real-life scenario. The entire session was handled by Dony Snehit P, Full stack developer at Sociate Générale. The session was highly informative, providing students with valuable insights into the IT sector. It covered the necessary coding skills required to enter the industry, the significance of coding, and the technologies used to develop a website from scratch, especially for those coming from a core background. The talk was well-received by both the student participants and the faculty members.
