Title	Industrial Visit on “DC Machines and Transformers”	
Department	Electrical and Electronics Engineering	
Date	From: 09.11.2024	To: 09.11.2024
Time	From: 09:00 AM	To: 04.00 PM
Brief Description (4-5 Lines Max)	<p>The IEEE Power Electronics Society NHCE Student Branch Chapter of EEE department, in collaboration with the IEEE PELS Bangalore Chapter, organized an industrial visit on “DC Machines and Transformers” on November 9, 2024, at Rajamane & Hegde Services Pvt Ltd, Tumkur. The company was founded in 1975 by Mr. S.K. Rajamane, a former design engineer of rotating machines at Kirloskar Electric, is a pioneer in the repair and servicing of large LT/HT-AC/DC electric motors, generators, and servo motors. Many global and original equipment manufacturers have authorized Rajamane & Hegde Services as their service partner in India. The company boasts state-of-the-art facilities in Bangalore, Tumkur, and Hubli.</p> <p>The visit aimed to provide students with an industry platform for exchanging and sharing knowledge about recent developments in electrical machines. The session was highly informative and engaging, benefiting 44 student participants, one faculty member (Ms. Anitha Nair A S), and one lab instructor (Mr. Venkatesha).</p>
