Event Report

Title	Guest Lecture on “Study Abroad Strategy Session”	
Department	Electrical and Electronics Engineering	
Date	From: 22.11.2024	To: 22.11.2024
Time	From: 2:00 PM	To: 3:00 PM
Brief Description (4-5 Lines Max)	<p>The Department of Electrical and Electronics Engineering of IEEE PELS NHCE SBC, New Horizon College of Engineering organized Guest Lecture on “Study Abroad Strategy Session” in association with IEEE PELS Bangalore section Chapter on 22.11.2024 Friday from IST 2:00 PM to 3:00 PM. The session was handled by Ms. Salome Rachana , English Specialist at Jamboree Education and Verbal Trainer and Namratha who is the City Head in Bangalore at Jamboree Education. The outcome of the program was Students were able to gain a deeper understanding of the study abroad process and also identify their personal and academic goals for a study abroad experience. They were able to develop a personalized study abroad plan. They also learned about the resources and support available to them throughout the study abroad process. Students were able to articulate their reasons for wanting to study abroad and identify potential study abroad destinations that align with their academic and personal interests. They were able to research and compare different study abroad programs and develop a budget for their study abroad experience. The talk also gave insights about how to apply for scholarships and financial aid to fund their study abroad experience. Students also gained an idea of necessary visas and documentation for their study abroad experience and adapt to new cultures and environments .Overall it was a great Guest Lecture helping students to know about study abroad.</p>
