Senior HR Manager – Corporate Relations & Placements, HRD

Convenors

Dr. Sakthivel Aruchamy

HoD, EEE

Prof. Gurucharan Singh

Senior Executive Director,
HRD (Corporate Relations, L&D, Placements)

NEW HORIZON COLLEGE OF ENGINEERING

Department of Electrical and Electronics Engineering

Event Report

Title	Industrial visit to Dynaelectric Equipment Ltd	
Department	Electrical and Electronics Engineering	
Date	From: 16.12.2024	To: 16.12.2024
Time	From: 09:30 AM	To: 5:00 PM
Brief Description (4-5 Lines Max)	<p>The Department of Electrical and Electronics Engineering, in collaboration with IEEE PELS NHCE SBC and IEEE PELS Bangalore Chapter, organized an industrial visit to “Dynaelectric Equipment Ltd” on Monday, 16th December 2024, from 9:30 AM to 5:00 PM IST, for 4th-year EEE students.</p> <p>The visit provided students with an excellent opportunity to gain practical insights into the transition from campus to industry and to identify their personal and academic goals while acquiring core industrial skills. During the visit, students received technical training on transformer design and learned about various resources and support systems available to help them become industry-ready engineers.</p> <p>Students were able to articulate their objectives for pursuing placement opportunities and enhancing their technical skills to align with both academic goals and industry expectations. They also explored and analyzed the existing skill gap between academia and industry requirements.</p> <p>The session offered valuable insights into specialized training on different types of transformer designs. Overall, the industrial visit was highly beneficial in equipping students with essential technical skills and preparing them for industry-oriented careers.</p>
